

EXECUTIVE SEARCH ANNOUNCEMENT

CHIEF EXECUTIVE OFFICER
for
ANESTHESIA ASSOCIATES OF ANN ARBOR
(80 physician Anesthesia, Pain Management & Billing Practice)

On behalf of our client, Anesthesia Associates of Ann Arbor, the Whittaker Group Healthcare Search Consultants extend an invitation to qualified professionals to discuss the position of Chief Executive Officer. This exciting career opportunity is based in Ann Arbor, Michigan, frequently named by national publications as one of the best places in the country to live.

Our client is a nationally recognized leader in providing anesthesia and pain management services, as well as owning and operating a prominent anesthesia billing services company. Anesthesia Associates of Ann Arbor (AAAA) serves clients throughout Michigan, including nine hospitals in the Southeast Michigan area. Over 80 physicians and 35 staff/administrative members support the operations and services, which is experiencing dramatic expansion.

Reporting to the Board President, my client is looking for a service-oriented visionary to take responsibility for the leadership and assume responsibility and accountability for the overall strategic planning, business development, financial and operations of AAAA. This includes a strong focus on operations analysis, strategic planning, contracting, spearheading market research, business development, budget development, business plan development and team development.

A strong personal presence that is characterized by a sense of honesty, integrity and caring with the ability to inspire and motivate others at all levels of the organization is important. Exceptionally strong communication skills are vital to the success of the selected professional. The CEO will possess the natural ability to effectively engage and establish strong working relationships with the employees, medical staff, clients and others both within the organization as well as externally while instilling confidence, trust and respect and appropriately representing AAAA.

A minimum of 15 years of progressive experience within the healthcare industry, with demonstrated success in large, diverse, physician group practice operations and a Bachelor's degree in business administration or an equivalent is required with a Master's degree strongly preferred. Anesthesia and pain management operations and billing administration experience highly preferred although not required.

My client offers an excellent compensation package and is an equal opportunity employer.

If you or a colleague would like additional information about this opportunity, please contact me at the address below. All contacts and correspondence will be kept strictly confidential.
